## HEALTH INFORMATION PRIVACY POLICIES AND PROCEDURES

These Health Information Privacy Policies & Procedures implement our obligations to protect the privacy of individually identifiable health information that we create, receive, or maintain as a healthcare provider.

We implement these policies and procedures as a matter of sound business practice; to protect the interests of our patients; and to fulfill our legal obligations under the Health Insurance Portability and Accountability Act of 1996 ("HIPPA"), its implementing regulations at 45 CFR Parts 160 and 164 (65 Fed. Reg. 82462 [Dec 28, 2000] ("Privacy Rules"), as amended (67 Fed. Reg. 53182 [Aug 14 2002]), and state law that provides greater protection or rights to patients than the privacy rules.

These Policies & Procedures address the basics of HIPPA and the Privacy Rules that apply in our dental practice. They do not attempt to cover everything in the Privacy Rules. The Policies and Procedures sometimes refer to forms we use to help implement the policies and to the privacy rules themselves when added detail may be needed.

Please note that while the Privacy Rules speak in terms of 'individual' rights and actions, these Policies and Procedures use more familiar word 'patient' instead; 'patient' should be read broadly to include prospective patients, patients of record, former patients, their authorized representatives, and any other 'individuals' contemplated in the Privacy Rules.

If you have questions or doubt about any use or disclosure of individually identifiable health information or about your other obligations under these Health Information Privacy Policies & Procedures, the Privacy Rules or other federal or state law, consult us before you act.
